

About Ayesha Mosque

Founded in 2007, Ayesha Mosque serves 700+ Muslims in Kamloops and nearby areas. Located in Knutsford, outside of city limits, for 16+ years, the mosque is registered under the CRA and incorporated under the BC Society Act. We offer weekly Jummah prayer, Ramadan Taraweeh, Eid events, and various Islamic services, including marriage and burial. Additionally, the mosque is involved in domestic and international relief efforts and supports local winter shelters annually.

"Whoever builds a mosque, Allah will build for him something like it in Paradise."

Narrated by al-Bukhaari (450) and Muslim (533) from the hadeeth of 'Uthmaan (may Allah be pleased with him).
